

I have 20 years experience in Remedial Massage and the Beauty industry. I gained my diploma of Remedial Massage in 1997.

I then moved to QLD and was fortunate enough to land employment at the very luxurious Sheraton Noosa Day Spa, which is where I was introduced to the beauty industry. I also feel honored to have worked at Bay Village Massage Clinic Noosa, (renowned for its excellent Massage therapists).

In 2004, I moved to Melbourne where I was offered a job at Jurlique Chadstone, I remained there for 18 months, before deciding to venture out with my own business, 'Rejuvenation On Location'.

Testimonials:

**My absolute favourite! Literally the best massages I have had in my travels all over the world. Sherrie .*

**OMG, the best words to describe my massages with Amanda, is that she has "Magic Hands". Linda.*
